** remarks:

1. Everyone must tell us your expected salary. Without it, we won't consider your application. In our philosophy, the candidate who is too shy to speak it out or to expect this information from us might mean he is not self-confident in his character. A salary range is not allowed. You must provide your most comfortable salary figure.
2. Both parties have to pay their own social insurance.
3. No housing allowance.
4. We provide the 13th month bonus on performance base.
